WHY CHOOSE OPS

Our customers tell us why they trust OPS Public Safety™ to be their secure storage system provider:

Our unique one-handed EZ Latch allows quick and easy access to gear.

1 QUALITY MANUFACTURING

Every product we manufacture is meticulously engineered and fabricated with the best materials available.

- ▶ **Lightweight, all-aluminum construction**
- ▶ **One-handed dual latch operation**
- ▶ **Vehicle specific installation kits**
- ▶ **Double bend return flange edges**

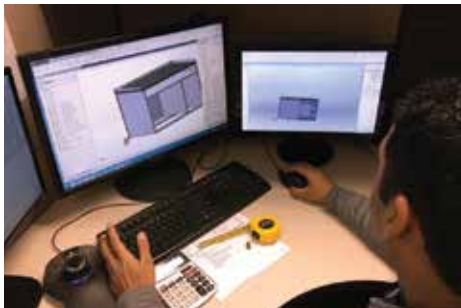

Our customer care team is always ready to take your call.

2 EXCEPTIONAL CUSTOMER CARE

Our exceptional customer care program ensures rapid response times to all your quotations, drawings and questions.

- ▶ **Quick Ship**
- ▶ **1.4.48 Customer Care Program**
- ▶ **Live Phone Answering**

Our engineers are certified SolidWorks™ professionals, utilizing the best in 3D technology.

3 ONE-ON-ONE CONSULTATION

One size doesn't always fit all. If you don't see a product that suits your specific need, please call our customer care team for your one-on-one consultation.

- ▶ **We listen to understand your needs**
- ▶ **In-house engineers utilize SolidWorks™**
- ▶ **On-site visits ensure accuracy and precision**

CUSTOMER TESTIMONIALS

CST Paul Smith was in his SUV when he was struck from behind by a speeding drunk driver. With some minor repairs, the OPS rear cargo storage unit was re-installed in his new SUV.

"I believe that if the OPS products had not been in my vehicle, things would have not been as fortunate as they were for my canine friends and I."

CST P. Smith, Ottawa Police

"With the quality product that you are supplying, you are without a doubt keeping my men safer and enabling them to deploy faster, which ultimately keeps the public safer and saves lives. We are fighting the good fight."

Sergeant Barry Brinser,
Tactical Operations Division
Pennsylvania State Police

"You worked with our lead fleet person and myself, and came up with an enclosed unit which, to my knowledge, is unique in the industry. I have heard nothing but praise from my officers, and I have observed equipment to be clean and serviceable. I would highly recommend OPS boxes."

James W. Sutphen, Commander
Salt River Police Department, AZ

NEW PRODUCT HIGHLIGHT

Introducing the brand new budget-friendly Pursuit Series cargo drawer system

This all-new budget-conscious storage unit for the Chevy Tahoe and Ford PIU comes with optional modular add-ons such as the weapon drawer, weapon cabinet, radio drawer and whiteboard drawer.

Pursuit Series Cargo Drawer with Weapon Drawer on top

Model: FIU-P-201-6
Dimensions: 18.5"H x 42"W x 18"D

Standard features include:

- ▶ All-aluminum construction, which is 40% lighter than steel
- ▶ 200 lb. ball bearing drawer slides
- ▶ Industrial stainless steel key lock
- ▶ Elevated mounting brackets for easy access to spare tire and additional storage underneath the unit
- ▶ Cargo rail on top of single drawer
- ▶ Powder coating: textured black
- ▶ Rubber matting
- ▶ Optional accessories: radio drawer, whiteboard drawer and 2" foam lining (per drawer). See page 18 for details.

Pursuit Series Weapon Cabinet with Cargo Drawer

Model: FIU-P-200-6
Dimensions: 18.5"H x 42"W x 18"D

Pursuit Series Cargo Drawer

Model: FIU-P-100-6
Dimensions: 12.5"H x 42"W x 18"D

Product improvements

OPS Public Safety™ diligently maintains a sharp focus on high quality manufacturing, predictable lead times and product consistency.

We are continuously developing, improving and implementing innovative product design and manufacturing solutions with input from public safety professionals.

If you don't see what fits your specific needs in this brochure, call our customer care team to discuss other innovative product solutions or visit: www.opspublicsafety.com

Elevated mounting brackets allow quick access to spare tire.

If ordering to fit with an existing barrier, please specify make/model to ensure proper fit. Our customer care team can help you with this.

See accessories on page 18 and ordering information on page 16-17.

*Mounting base for PIU:

Additional mounting base is required.

OPS Public Safety™ provides an optional mounting base that allows easy access to the spare tire on the Ford Police Interceptor Utility. Simply slide back the cover to remove the spare tire — it's that easy. Installation on Ford OEM mounting points is just as simple (gas cylinders optional).

If you are ordering a base to fit with an existing barrier, please specify the make and model of the barrier to ensure proper fit.

All drawers that are 36 inches deep or more require Model: FI-0003 mounting base.

All drawers that are less than 36 inches deep require Model: FI-0000 mounting base.

STACKED DRAWER SERIES

Model: OP-FIU-20-40-24-DY with FI-0000 mounting base

Model: OP-FIU-20-40-24-DY with FI-0000 mounting base

Model: OP-CTU-20-47-36-DY

FITS SUVs AND PICKUPS

The Stacked Drawer Series allows you to separate your gear and weapons, keeping them safe and secure with a lock on each drawer.

Stacked drawer unit is shown with optional PIU mounting base.

SCALE STORAGE SERIES

If ordering to fit with an existing barrier, please specify make/model to ensure proper fit. Our customer care team can help you with this.

Fits SUVs and Pickups
Specifically designed for commercial vehicle enforcement, these units hold four or six scales along with gear and weapons. They are made with heavy-gauge aluminum and 200 lb. ball-bearing slides. Teflon slide rails allow the portable scales to easily slide in and out of their compartments.

► Barrier as shown is optional (see page 18 for more details)

PICKUP TRUCK DRAWER SERIES

A custom drawer unit from our Maximizer Series with optional powder coating and electronic keypad entry.

The Max (Single Drawer Series)
Model: OP-TDU-16-48-60-D

The Sidekick maximizes dead space over and around the wheel well.
Model: SKU-17-14-50.25-001

The Max 40 Weathertight can keep out water, sand and more!

FITS PICKUP TRUCKS

All models are available in a variety of depths to fit your truck model.

Capitalize on your truck bed space with a secure storage drawer design that can fit either over the wheel wells or between them.

Model: SKU-17-14-50.25-001
Shown with optional anti-skid coating.

ACCESSORIES

Electronic keypad lock

Folding whiteboard can be added to drawer units

Drawer dividers and rubber matting

Be sure to choose additional equipment options to make your order complete. If you need help configuring the right solutions, contact our customer care team.

► Polycarbonate barrier

- Offers maximum unobstructed visibility through a durable translucent polycarbonate sheet
- Variety of models based on your vehicle type and drawer height
- Optional right and left filler panels

► Perforated barrier

- Black finish
- Made of aluminum
- Eliminates glare from headlights

► Lock options

Choose the right lock for your level of security needs:

- Key cylinder lock (standard on all drawers)
- Simplex 9100 Series push button high security deadbolt with key override.
- Electronic keypad lock
- Trigger latch (standard on all long gun boxes)

► Drawer dividers

- Dividers are available in front-to-back or side-to-side configurations

► Foam inserts

- 2" foam liner for weapon storage

► Gun mount

► Whiteboard

► Rubber matting

► Powder coating

- Textured black

► Mounting base

- OPS Public Safety™ provides a mounting base that allows easy access to the spare tire on a Ford Explorer PIU (if required). Simply slide back the cover to remove the spare. It's that easy.

Please note: All drawers that are 36 inches deep or more require mounting base: Model FI-0003

All drawers that are less than 36 inches deep require mounting base: Model FI-0000

See ordering information on page 16-17.

Foam inserts can be modified to fit any weapon

Simplex 9100 Series push button lock

Gun mount option

SPECIALTY LAW ENFORCEMENT

OPS Public Safety™ can transform your SUV or pickup into a command center for SWAT, disaster response or event security tactical missions. Additional secure weapon storage, a whiteboard and computer mount are often incorporated into these custom units that are designed to meet the specific needs of our customers. Our design engineers are experienced in working with law enforcement, EMS and fire response personnel to ensure the perfect solution for your requirements.

SPECIALTY INTERIORS & TRAILERS

OPS Public Safety™ offers a wide range of modular interior options to upfit a tactical response trailer. Whatever your need; SWAT response, disaster response or event security, our experienced design engineers will configure a solution that maximizes the efficiency and productivity of your team in the field.

Our tactical equipment storage solutions hold up to the demanding needs of rapid responders and can include lockers, racks, overhead cabinets, work stations, seating, countertops, power, lighting, AC and more.

SPECIALTY FIRE & EMS

OPS Public Safety™ is an experienced manufacturer of fire response/command and ATV storage solutions, designed to suit your individual needs. OPS Public Safety™ rollout units include heavy-duty slide-out systems capable of carrying up to 2,000 lbs. of equipment and extending up to 100% out of the vehicle.

WE ARE A GLOBAL MANUFACTURER OF MOBILE WORKSPACE SYSTEMS, PROVIDING OUR CUSTOMERS THE JOY OF A WELL ORGANIZED, SAFE AND SECURE WORK ENVIRONMENT.
